seasonal treatments. Creating customized, memorable experiences for guests that truly

showcase the unique personality of our spa and region.

POLICY CHANGES

At the Hilton Aruba Caribbean Resort & Casino, the health and safety of our guests and team members is our highest priority. Accordingly, in response to the National Public Health Emergency caused by the COVID-19 pandemic, and taking into account guidance from the CDC, WHO and other medical experts, the Hotel is taking multiple steps to ensure the safety and health of our employees, our guests, and the public at-large. Visit CleanStay to learn more about our industry leading hygiene practices.

As part of our response to this health emergency, we are requiring all spa guests to submit to a temperature check as a condition of entry to the spa. Given the close proximity between our guests and team members during spa treatments, we believe this is critical to prevent the spread of the virus. We also require our spa team members to submit to temperature checks and symptom screening before they enter the spa each day.

We have developed a protocol to minimize the information collected and shared as a part of this process. Additionally, we are applying the same safeguards to protect this information as we have in place for similar categories of data.

If you are exhibiting a fever or any of the symptoms consistent with COVID-19, the spa will decline to go forward with your scheduled appointment. You will be required to isolate in your guestroom and seek medical attention prior to accessing any other public areas in the hotel.

In addition, please note the following additional measures that are being taken to ensure your safety:

We have made our cleaning and hygiene protocols even more rigorous, including additional time between services for sanitation and the removal of all shared items.

We have taken additional measures to comply with physical distancing requirements, including the staggering of appointment times and spacing of seating areas.

Spa Team Members are required to wear a face

mask and face shield at work in accordance with the Centers for Disease Control (CDC) and World Health Organization (WHO) guidelines.

Spa guests are required to wear face mask that will be provided at the spa.

The locker rooms and hydrotherapy facilities are closed at this time. We also do not offer waxing or facial treatments at this moment.

Upon arrival, you will be greeted in the reception area and escorted directly to your treatment rooms. We therefore kindly ask you to shower in your guest room.

We ask that you wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer that has been provided in the spa.

Note: If the temperature reading is 100.4° F (37.8° C) or above, you are considered to have a fever for purposes of a COVID-19 assessment. In case of a positive result, you will be isolated and given an opportunity to cool down and a second measurement after approximately 10 minutes will be done.

SCHEDULING AN APPOINTMENT

To schedule an appointment for your perfect treatment, please contact our SPA reservations team who will be able to guide you to the right choice. To ensure your preferred time and service is available we recommend to book in advance. All spa treatments and packages will need to be guaranteed with a credit card.

ARRIVAL TIME

To ensure social distancing in the spa we kindly ask you to arrive 15 minutes prior to your treatment and leave within 15 minutes after your treatment. We also kindly ask you to make use of the shower facility in your guestroom prior to coming to the spa as the Spa Locker Rooms are not currently available to ensure social distancing.

GYM

A state-of-the-art gym equipped with 'True' cardio

vascular and 'Nautilus' strength machines and free weights area. The Gym is available to hotel guests, members and day spa guests.

CHILDREN'S POLICY

We are delighted to offer treatments for children under 16 years old however they must be accompanied by an adult for the whole duration apart from manicures and pedicures taken in the Finishing Studio/Nail Studio. Please contact the eforea reservations team for details on treatments available for our young guests. Access to the rest of the spa including the changing facilities, spa and heat experiences and gym are restricted to over 16's.

CANCELLATION POLICY

Due to the current situation, cancellations due to illness are honored. Any no-shows will incur a 100% charge. We kindly ask you to cancel at least 4 hours prior to your treatment. Late arrival will shorten your treatment time.

SPA ETIQUETTE

Our spa environment is one of relaxation and tranquillity. Please respect all spa guests' right to privacy and serenity. In light of this, the spa is a mobile phone, camera and smoke free zone.

HEALTH CONDITIONS

Kindly advise us of any health conditions, allergies or injuries which could affect your choice of treatment when making your spa reservation.

PREGNANCY

We have specially designed treatments for expectant women or nursing mothers. Please allow our spa team to guide you in selecting which treatments are most suitable during this special time.

GIFT VOUCHERS

An ideal gift for someone special. Please contact the eforea reservations team for details.

PRICES

All prices are quoted in US dollar and are subject to change at any time. Gratuities are not included and are welcomed at your discretion.
